Wish I Never

Joey Djia

Wish I never asked you what your name was
Wish I never looked at you more than once
Wish I never let you in my life
Cause you are so immature

Wish I could get you completely out my mind
Cause I'm sick of you making me look like I'm the bad guy
If I could I'd take back all my time
Cause you are so immature

And if I could I'd just forget about you
And if I could I'd just delete you from my history
Keep you as a mystery
Delete the possibility of there being a you and me

I'd take back every little single thing I gave you
Right back to the very first kiss we shared
Right back to the reason I had when I decided to care

Cause I don't care anymore
No I don't care anymore
No I don't care anymore
Oh I'm lying, so lying

Cause I don't care anymore
No I don't care anymore
No I don't care anymore
Oh I'm lying, so lying

Wish I didn't believe you could love me
Wish I didn't believe that you could be
My man, be my man, be my man, be my man
You a boy and I'm not your toy

Wish I could get you completely out my mind
Cause I meant what I said from the first time
And if I did, then I still do
So I made that mistake when I loved you boy

I made a mistake
I made a mistake
I made a mistake

And if I could I'd just forget about you
And if I could I'd just delete you from my history
Keep you as a mystery
Delete the possibility of there being a you and me

Cause I don't care anymore
No I don't care anymore
No I don't care anymore
Oh I'm lying, so lying

Cause I don't care anymore
No I don't care anymore
No I don't care anymore
Oh I'm lying, so lying

That's why he's not there
He knows I still care
That's why he's not there
He knows I still care
That's why he's not there

That's why he's not there
He knows I still care
That's why he's not there
He knows I still care
That's why he don't care

Cause I don't care anymore
No I don't care anymore
No I don't care anymore
Oh I'm lying, so lying

Cause I don't care anymore
No I don't care anymore
No I don't care anymore
Oh I'm lying, so lying
