

Game Winner

Joey Dosik

Ever since the day
We hit the game winner
It's been so crazy
My whole life has changed
So can we take a second, babe
'Cause we've come so far, babe
Sit back and enjoy a piece of the remix

Make confetti rain down from the sky
Baby, I don't wanna dry my eyes
I've been dreaming of this all my life
I knew we could do anything

Then we hit the game winner
(We hit the game winner)

'Cause somebody had to win
Somebody had to lose
Better them, pretty baby
Better them than you and me
'Cause I wouldn't trade it for nothing
Nothing got this hold on me
Baby, I wouldn't trade ya for nothing
Like KD says, (you're the real MVP)

Make confetti rain down from the sky
Baby, I don't wanna dry my eyes
I've been dreaming (of this all my life), dreamin'
It means everything to me

We were standing in the rain
Now we're popping champagne

We hit the game winner
Hit the game winner
Hit the game winner
Hit the game winner
Hit the game...
