

Miracle

Joey McIntyre

Here you are now standin' in the rain
You'd do anything to kill the pain
You're askin' me, how the hell did I get here?
After all I've done, doesn't anybody care?

Well, I ain't got no alibis, but since you asked me why
Tell you why I'm standin' here

I don't pray for a sunny day when the rain comes
It's the rain that makes us grow
Find out it's the dark times when the stars shine
And point me where I need to go
Life is full of mistakes, so make another mistake
Maybe the next one you make will be the one that'll finally break you
And just keep baring your soul
Maybe even that walk of shame
Just might lead to a miracle, mm
Amen

Strike a rock a thousand times, nothin'
One thousand and one, you might just get somethin'
Now, I'm not tryna tell you to fall on a sword for every word, but
I could tell you what works for me, here's what I heard

Don't pray for a sunny day when the rain comes
It's the rain that makes us grow
Find out it's the dark times when the stars shine
Point me where I need to go
Life is full of mistakes, so make another mistake
Maybe the next one you make will be the one that'll finally break you
And just keep baring your soul
Maybe even that walk of shame
Just might lead to a miracle
Oh, come on now
Amen
Oh, come on now
Amen

God, I offer myself to Thee
To build with me and do with me as Thou wilt (Amen)
Relieve me of the bondage of self
That I may better do Thy will (Amen)
Take away my difficulties
That victory of them may bear witness to those I would help (Amen)
Of Thy Power, of Thy Love, and of Thy Way of Life
May I do Thy will, always

Amen
Oh
Amen
Go make another mistake
It just might lead to a miracle
