

Prolific

Joey McIntyre

I feel drunk but I ain't drunk nothing
I'm feeling high but I ain't smoke nothing
Stone cold sober, ain't it something?
I'm just intoxicated by your loving

It's a feeling that I wouldn't trade
'Cause nothing else can make me feel this way
Now I feel another sweet high coming
Here's where I'm buzzing

A love so prolific
Girl, you're terrific
How do you do what you do, babe?
All the things that you do, babe?
Showing up every minute
Putting your love in it
Can't believe that you still find
You and me time
A love so prolific

Don't wanna move but I ain't done running
I wanna hide but I ain't done nothing
Am I afraid to finally feel something?
I'm just infatuated by your loving

And it's a feeling that I wouldn't trade
'Cause nothing else can make me feel this way
Now I feel another sweet high coming
Here's where I'm buzzing

A love so prolific
Girl, you're terrific
How do you do what you do, babe?
All the things that you do, babe?
Showing up every minute
Putting your love in it
Can't believe that you still find
You and me time
A love so prolific

And the hits keep coming one right after another
The G-O-A-T daughter sister and mother
And you still find time to be a damn fine wife
How'd I get so lucky to spend my life with

A love so prolific
Girl, you're terrific
How do you do what you do, babe?
All the things that you do, babe?
Showing up every minute
Putting your love in it
Can't believe that you still find
You and me time
A love so prolific

It goes on and on and on and on and on
Your love, your love

A love so prolific
Your love, love, love
It goes on and on and on and on and on
How you doing what you do babe?
All the things that you do babe
A love so prolific
