

# Until Tomorrow

Joey McIntyre

I'll never make it  
Unless I leave it all behind  
I'm gonna make it  
But I'm runnin' out of time

I'll believe it when I see it  
'Cause, baby, it's been too long  
I've been down, I've been beaten  
I can feel me turnin' back on (Guess what, baby?)

We only have tonight  
But I don't wanna see you cry  
'Cause we don't have to say goodbye  
Until tomorrow (Guess what, baby?)  
We only got one life to live  
So give it all you got to give  
And we don't have to say goodbye  
Until tomorrow

I wanna break it  
But everything is movin' too fast  
My heart is breakin'  
I just wanna make this last

I believe it, I can see it  
Baby, it was all worth the wait  
It's easy to see it  
You know I really want you to stay (Guess what, baby?)

We only have tonight  
But I don't wanna see you cry  
'Cause we don't have to say goodbye  
Until tomorrow (Guess what, baby?)  
We only got one life to live  
So give it all you got to give  
And we don't have to say goodbye  
Until tomorrow

Tomorrow, tomorrow  
We don't have to say goodbye  
Until tomorrow, tomorrow  
We don't have to say goodbye

We only have tonight  
But I don't wanna see you cry  
'Cause we don't have to say goodbye  
Until tomorrow (Guess what, baby?)  
We only got one life to live  
So give it all you got to give  
And we don't have to say goodbye  
Until tomorrow

Tomorrow, tomorrow  
We don't have to say goodbye  
Until tomorrow, tomorrow  
We don't have to say goodbye  
Until tomorrow, tomorrow

We don't have to say goodbye  
Until tomorrow
