

Eyes of Green

Joey Ramone

When I look in your eyes
I want you, that's no surprise
I want you, you know that I
do now
But I got a little girl at home
And she really, really digs me
Why would I wanna go and
stray that way?
Searching for this girl with
eyes of green
And I want it
She's dark and twisted like
me
A creature of intrigue
She's something that you
don't forget
An axe-murderess I bet
But I want her
I want her (3x)
When I look in your eyes
I want you, that's no surprise
I want you, you know that I
do now
I want her (4x)
But I got a little girl at home
And she really, really digs me
Why would I wanna go and
stray that way?
Searching for this girl with
eyes of green
But I want her
I want her (3x)
I want it (4x)
I want her (4x)
