Going Nowhere Fast

Joey Ramone

Hang it out with that slizzie
crag
They're all going nowhere
baby
We're gonna gonna gonna
bring you down
You better listen to a word
I'm saying
Girl
They gonna bring you down
Ba-baby
I gotta get away
It won't gonna last
You're going nowhere fast
You disabit baby
I gotta get away
It won't gonna last
You're going nowhere fast
You disabit baby
Hang it out with that same
old crag
They're all going nowhere
baby
We're gonna fall out for your
friends all out
It's going to drive you crazy
Ba-baby
They gonna bring you down
Ba-baby
I gotta get away
It won't gonna last
You're going nowhere fast
You disabit baby
I gotta get away
It won't gonna last
You're going nowhere fast
You disabit baby
Ba-baby
Don't let they bring you
down
Ba-baby
I gotta get away
It won't gonna last
You're going nowhere fast
You disabit baby
I gotta get away
It won't gonna last
You're going nowhere fast
You disabit baby
(Nowhere fast)
Gotta gotta get away
(Nowhere fast)
I gotta gotta get away
(Nowhere fast)
Oh you disabit baby
(Nowhere fast)
I gotta gotta get away

```
(Nowhere fast)
Gotta gotta get away
(Nowhere fast)
Oh you disabit baby
(Nowhere fast)
Oh you
(Nowhere fast)
I gotta gotta get away
(Nowhere fast)
Oh you disabit baby
```
