Let's Pretend We Never Met

Joey + Rory

Hey, let’s pretend we never met
Like we ain’t fallen in love yet
I will chase you down the kitchen
You can chase ‘round to bed

We will set the neighbors talkin’ with our hoopin’ and our hall in’
1, 2, 3, it’s hide and seek
Go, I’ll find you and you’ll find me
Tag, you’re it, pretend we never met

Hey, before our love life goes to snoring
Let’s act like we’re on our honey moon
In an effort to avoid the boring
Stay by far of something we can’t do

Oh, let’s pretend we never met
Like we ain’t fallen in love yet
I will chase you down the kitchen
You can chase ‘round to bed

We will set the neighbors talkin’ with our hoopin’ and our hall in’
1, 2, 3, it’s hide and seek
Go, I’ll find you and you’ll find me
Tag, you’re it, pretend we never met

Aye, wutchu gonna do when I close my eyes?
Oh, don’t tell me, let it be a surprise
I’ll stop right this is kinda frightening
But dang, it makes it so exciting

Oh, let’s pretend we never met
Like we ain’t fallen in love yet
I will chase you down the kitchen
You can chase ‘round to bed

We will set the neighbors talkin’ with our hoopin’ and our hall in’
1, 2, 3, it’s hide and seek
Go, I’ll find you and you’ll find me
Tag, you’re it, pretend we never met

1, 2, 3, it’s hide and seek
Go, I’ll find you and you’ll find me
Tag, you’re it, pretend we never met
