

INTERMISSION 2

Joey Valence & Brae

Hello?

I don't know, aye, I don't know, aye, I don't know, aye, I don't know

I don't know, aye, I don't know, aye, I don't know, aye

Okay, hit it b-boy

If you hand me a bagel, I'ma eat that shit

If you hand me a Beyblade, I'll let it rip

Heard you like 'em tall, heard you like 'em thick

Lucky you, boo, I got Mickey D's hips

Extra on the pickle, extra on the sauce

When I order Ginger Ale, I order on the rocks

You can call me baby, you can call me Brae

You can call me baby Brae sweet like Baby Ray's (Mark Zuckerberg)

I don't know, aye, I don't know, aye, I don't know, aye, I don't know

I don't know, aye, I don't know, aye, I don't know, aye (Yeah)

I only eat a booty with a side of fries

I only eat a booty if it's supersized

I only do a song if it's worth my time

Don't poke at my ribs if you're past your prime

Got my shirt tight and my denim loose

... a dress tie, ... a nice suit

Let the records talk, let the numbers speak

Never once put a number on a spreadsheet

I don't know, aye, I don't know, aye, I don't know, aye, I don't know

I don't know, aye, I don't know, aye, I don't know, aye
