

1959

John Anderson

Cigarettes were a quarter then  
Bobby-socks and jeans were in  
Elvis sang the songs that we loved so.  
But the most important thing to us  
was keepin' gas in my old truck  
So I could take us to the drive-in show.

I never will forget the day  
That you and I went all the way  
I was the first for you - and you for me.  
I've still got the truck that we loved in  
It takes me back there now and then,  
Back to '59 my memory

And  
Baby I'm yours  
I'll love you always.  
I'm gonna stand by you until the end of time  
Remember all of the good things  
That we shared together.  
Signed - love Betty - 1959

Graduation finally came,  
Uncle Sam called me away,  
You married someone else while I was gone.  
I kept your letters all these years  
And I can't help but shed a tear  
When I read the words you wrote me years ago.

Baby I'm yours  
I'll love you always  
I'm gonna stand by you until the end of time  
Remember all of the good things  
That we shared together  
signed - love Betty - 1959.
