

It's Hard to Keep This Ship Together

John Anderson

Like a lost ship on the sea
This love is lost between you and me
And it's hard to keep this ship together
There's no way to stay warm
In the middle of a storm
Little honey, it's hard to keep this ship together, hey hey

If we must sail the stormy seas
It's up to you and me
I can see the rain clouds and hear the thunder
And something's trying to pull us under
And it's hard to stay afloat
When you're rockin' your own boat
Honey, it's hard to keep this ship together, hey hey

If we must sail the stormy seas
It's up to you and me
I can see the rain clouds and hear the thunder
And something's trying to pull us under
And it's hard to stay afloat
When you're rockin' your own boat
Honey, it's hard to keep this ship together, hey hey
Honey, it's hard to keep this ship together
Yeah honey, it's hard to keep this ship together
