Nobody's Got It All

John Anderson

Jimmy lives in a big house
At sixteen he got a new car
Swears his father doesn't
Know he's alive
Wishes he could be like Tom
Goes fishing with his dad
But Tom in his hand me down clothes
Wishes he could have a car like Jimmy

Oh'o'o'o

Nobody's got it made
No one's got everything
Though it may look that way
And don't it help to know
Where ever those chips may fall
Everybody's got something
But nobody's got it all

Oh'o'o'o, Oh'o'o'o

Lola is a raven beauty
Got men wait'n in line
Never has found the right one
Already married three times
Wishes she could be like Molly
Still married to her
High school sweetheart
But molly walks by the mirror
Wishes she could look more like Lola

Oh'o'o'o

Nobody's got it made
No one's got everything
Though it may look that way
And don't it help to know
Where ever those chips may fall
Everybody's got something
But nobody's got it all

Oh'o'o'o, Oh'o'o'o

That billionare has his problems too
Well, he just might trade places with you

Nobody's got it made
No one's got everything
Though it may look that way
And don't it help to know
Where ever those chips may fall
Everybody's got something
But nobody's got it all

Oh'o'o'o, Oh'o'o'o

Nobody's got it made

No one's got everything
Though it may look that way
And don't it help to know
Where ever those chips may fall
Everybody's got something
But nobody's got it all

Oh'o'o'o, Oh'o'o'o

Oh'o'o'o, Oh'o'o'o
