

# Only Your Love

John Anderson

Only your kiss, only your smile  
Could make it all worth while  
Only your love that's all I need  
Only your love

Only your touch, only your ways  
Can brighten up my days  
Only your love that's all I need  
Only your love

And oh, you're so beautiful and true  
Don't know how I did without you  
And only your love  
And I, I just can't believe that I  
Am the one you give your love to  
Only your love

Only you and what you know  
Takes me where I want to go  
Only your love that's all I need  
Only your love

And oh, you're so beautiful and true  
Don't know how I did without you  
And only your love  
And I, I just can't believe that I  
Am the one you give your love to  
Only your love

Only your love  
Only your love  
Only your love
