

She Just Started Liking Cheatin' Songs

John Anderson

She just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melodies

I've never had any reason to doubt her
As far as I know she's been true
But lately she's had a different look in her eye
I wonder if she's seeing somebody new

You can't blame a body for looking
When there's world of people out there
But I hope she's not taking any closer looks
I tell you lately frankly I've been scared

'Cause she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melodies

I've got to admit I do some looking too
But she's the only one I love
She still tells me she loves me
But I wonder if my love's enough

'Cause she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
Or just the melodies

Yes she just started liking cheatin' songs
And what's bothering me
I don't know if it's the cheatin' she likes
