

# The Waltz You Save for Me

John Anderson

Ever in dreams with you I'll sway, dear  
To the waltz you saved for me  
Ever in dreams when I'm away dear  
I'll be this melody

Whisper goodbye and gently say, dear  
That in all the days to be  
You'll always remember  
The waltz you saved for me

You'll always remember  
The waltz you saved for me
