

Love Changes Everything

John Barrowman

Love, love changes everything:
Hands and faces, earth and sky.
Love, love changes everything:
How you live and how you die.

Love can make the summer fly
Or a night seem like a lifetime.
Yes love, love changes everything
Now I tremble at your name.

Nothing in the world
Will ever be the same.

Love, love changes everything:
Days are longer, words mean more.
Love, love changes everything:
Pain is deeper than before.

Love will turn your world around
And that world will last forever.
Yes love, love changes everything,
Brings you glory, brings you shame.

Nothing in the world
Will ever be the same.

Off into the world we go,
Planning futures, shaping years.
Love bursts in and suddenly,
All our wisdom disappears.

Love makes fools of everyone:
All the rules we make are broken.
Yes love, love changes everyone.
Live or perish in its flame.

Love will never never
Let you be the same.
Love will never never
Let you be the same.
