

# Too Much in Love to Care

John Barrowman

When I was a kid, I played on this street  
I always loved illusion  
I thought make-believe was truer than life  
But now it's all confusion  
Please, can you tell me what's happening?  
I just don't know anymore  
If this is real, how should I feel?  
What should I look for?

If you were smart, you would keep on walking  
Out of my life as fast as you can  
I'm not the one you should pin your hopes on  
You're falling for the wrong kind of man  
This is crazy! You know we should call it a day  
Sound advice, great advice  
Let's throw it away

I can't control all the things I'm feeling  
I haven't got a prayer  
If I'm a fool, well  
I'm too much in love to care

I knew where I was, I'd given up hope  
Made friends with disillusion  
No one in my life, but I look at you  
And now it's all confusion

Please, can you tell me what's happening?  
I just don't know anymore  
If this is real, how should I feel?  
What should I look for?

I thought I had everything I needed  
My life was set, my dreams were in place  
My heart could see way into the future  
All of that goes when I see your face

I should hate you  
There I was, the world in my hand  
Can one kiss, kiss away  
Everything I planned?

I can't control all the things I'm feeling  
I'm floating in mid-air  
I know it's wrong, but,  
I'm too much in love to care

I thought I had everything I needed  
My life was set, my dreams were in place  
My heart could see way into the future  
All of that goes when I see your face  
This is crazy! You know we should call it a day

Sound advice

Great advice

Let's throw it away...  
I can't control all the things I'm feeling  
We're floating in mid-air  
If we are fools, well,  
We're too much in love to care  
If we are fools, well,  
We're too much in love to care!
