## **Tender Years**

## John Cafferty & the Beaver Brown Band

When the moon hung soft and low, Catchin' stardust in the light You held me closer and closer There was magic in the night

A sweet love song, a melody
That I still can recall
Two young hearts filled with dreams
To walk away with it all

Whoa, whoa tender years Won't you wash away my tears How I wish you were here Please don't go, tender years

A summer love, a beach romance Sought her kisses in the sand Two young hearts filled with fire Lost in never-neverland.

Whoa, whoa tender years Won't you wash away my tears How I wish you were here Please don't go, tender years
