

# Faces And Names

John Cale

Faces and names  
I wish they were the same  
Faces and names only cause trouble for me  
Faces and names

If we all looked the same  
And we all had the same name  
I wouldn't be jealous of you, or you jealous of me  
Faces and names

I always fall in love  
With someone who looks  
The way I wish that I could be  
I'm always staring at someone who hurts  
And the one they hurt is me

Faces and names  
To me, they're all the same  
If I looked like and you looked like me  
There'd be less trouble, you'd see

Faces and names  
I wish they'd go away  
I'd disappear into that wall and never talk  
Talk, not talk

I wish I was a robot or a machine  
Without a feeling or a thought  
People who want to meet the name I have  
Are always disappointed in me

Faces and names  
I wish they were the same  
Faces and names only cause problems for me  
Faces and names

I'd rather be a hole in the wall  
Looking on the other side  
I'd rather look and listen, listen, not talk  
To faces and names

If I had a breakdown when I was a kid  
If I lost my hair when I was young  
If you dress older when you are not  
As you really age, you look the same

If we all looked the same  
We wouldn't play these games  
Me dressing for you, you dressing for me  
Undressing for me

Faces and names  
If they all were the same  
You wouldn't be jealous of me or me jealous of you  
Me jealous of you, I'm jealous of you

Your face and your name

Your face and your name  
Faces and names  
Faces and names
