

Fever Dream 2024: You're A Ghost

John Cale

La la la la la...

It's greater now than then
And it's written by another man's pen
And it's going to be another day
Another evening, gone away
Give me one more try
Give me one more try

You're a ghost la la la la la la la la la
You're a ghost la la la la la la la la la
You're a ghost la la la la la la la la la
You're a ghost la la la la la la la la la

La la la la la... La la la la la la la la...

You're a ghost la la la la la la la la la
You're a ghost la la la la la la la la la
La la la la la la la la
You're a ghost

You're a ghost
Falling all apart
You're a ghost
Falling all apart
You're a ghost
Falling all apart

La la la la la la la...
You're a ghost
La la la la la
You're a ghost...
