

Legs Larry at Television Centre

John Cale

OK, we're rolling, Q-gramms
Closer from camera one
Hold it, hold it
That's nice, back a bit
Camera two, cut to two
Lovely, hold that, hold that, hold that

Right, pan in on Ronnie then, come to Ronnie
Watch the cello love, watch the cello
Mind your boom - for blimey's sake
OK, OK, lovely
A little more rain, more rain

Silly cow, smashed his make-up now
Hold that, pan back, pan across, pan back
Mind your boom, John, mind your boom
Blimey

Oh, a bit more echo there, lovely, lovely
Hold that, hold that
OK, pan back, pan back
Sweep across now, sweep for all your worth, love
Twistle around, lovely
Oh, this silly cook
Who's spilled brandy on his trouser suit now?
Roll down, close shot, get his leg in, that's right
Cut to the cello
Lovely, hold it, that's very nice, very nice

Keep the rain coming, Vera, keep the rain coming
Pan across, pan back, hold it
Now go in for the kill
It does look nice in this light
Yes, it's worked out very well, very very well
The whole thing's bloody mad, if you ask me
Oh, this silly crone, no
Right, roll the captions, roll the captions
Where is he?
