

Shark-Shark

John Cale

Pedro eats his breakfast on the roof
Talks about it all the time
Cesar sharpens knives in the back of the van
Black black, sing it again

Shark shark, take me down
Shark shark, take me down
(Lucy got a gig)
Shark shark, take me down
Shark shark, take me down
(Lucy likes to sing)

Talk talk, in the back of the room
Hard work, at the end of the day
Learn how to be a winner in the end
Faster than the speed of light

Shark shark, take me down
(It's the way you think)
Shark shark, take me down
(It's the way you dance)
Shark shark, take me down
(It's the way you see)
Shark shark, take me down
(It's the way you go)

(End up in jail, end up in jail)
(End up in jail, end up in jail)
(End up in jail...)

Shark shark, take me down
(Lucy got a gig)
Shark shark, take me down
(Lucy got a gig)
Shark shark, take me down
(That's the way to go)
Shark shark, take me down
(Lucy likes to sing)

(Shark, shark, shark...)

Shark shark, take me down
Shark shark, take me down
Shark shark, take me down
Lucy got a gig (Lucy got a gig)
Shark shark, take me down
(Got a gig, got a gig, got a, got a, got a gig)
Take me down, take me down
Take me down, take me down
