Turn the Lights On

John Cale

```
A shadow
Living in between the me you
A gambler
Betting we'll be fine in the end
Once in a while you'd be wrong
Putting your feelings across
Freaking me out in the dark
Turn the lights on
When you see me coming
Turn the lights on
When you see me coming
Dreaming
Seeing things appear in my head
Sleeping
Listening to what's there in stead
Make sure the reason for that
isn't the same as the last
Foolish thing sent from the past
Turn the lights on
When you see me coming
Turn the lights on
When you see me coming
Turn the lights on
Turn the lights on
Turn the lights on ...
When you see me coming ...
When you see me coming
```
