

## Nature Boy

John Coltrane

There was a boy, a very strange enchanted boy  
They say he wandered very far, very far, over land and  
sea

A little shy and sad of eye, but very wise was he  
And then one day, a magic day he passed my way  
And while we spoke of many things, fools and kings

This he said to me:

"The greatest thing you'll ever learn  
Is just to love and be loved in return"
