

She's Mine

John Conlee

She's a wife, she's a mother, a lover and friend
She's a taxi, she's a teacher and a date on weekends
She's tame as tame as a kitten and wild as a cat
Yes, she's all of this but she's more than that

She's mine
Man, I see it but I can't believe it now when I look at her
She's mine
Of all the sounds I've heard in my life the my favorite words
She's mine

She's a saint, she's a sinner but she's good when she's bad
She's a fighter, she's a winner and she made me a dad
If she puts on two pounds, she thinks she's getting fat
Yes, she's all of this but she's more than that

She's mine
Man, I see it but I can't believe it now when I look at her
She's mine
Of all the sounds I've heard in my life my two favorite words
She's mine

Sometimes I think, how can this be, just look at her, would you
believe?
She's mine
Man, I see it but I can't believe it now when I look at her
She's mine
Of all the sounds I've heard in my life the my favorite words
She's mine
She's mine
