

Waitin' For The Sun To Shine

John Conlee

I've been standing underneath this dark old cloud now
Waitin' for the sun to shine
Waitin' for the sun to shine on my heart again

Oh, I've been standing underneath this dark old cloud now
Waitin' for the sun to shine
Waitin' for the sun to shine on my heart again

Oh, I'm just waitin' for the sun to shine
I'm just waitin' for the sun to shine
You know it will take some time
But I'm just waitin' for the sun to shine

I've been throwing a lot of good love away now
Waitin' for the sun to shine
Just waitin' for the sun to shine on my heart again

Yes, I've been throwing a lot of good love away now
Waitin' for the sun to shine
Just waitin' for the sun to shine on my heart again

Oh, I'm just waitin' for the sun to shine
I'm just waitin' for the sun to shine
I know it will take some time
But I'm just waitin' for the sun to shine

I've been standing underneath this dark old cloud now
Waitin' for the sun to shine
Just waitin' for the sun to shine on my heart again

And I've been throwing a lot of good love away now
Waitin' for the sun to shine
Just waitin' for the sun to shine on my heart again
