

Enough

John De Sohn

(You're not giving me enough...)

Wake me up at sunrise
'Cause I'm giving up on you and I
It's hard enough if you're not giving me enough
You're not giving me enough

Wake me up at sunrise
'Cause I'm giving up on you and I
It's hard enough if you're not giving me enough
You're not giving me enough...

Wake me up at sunrise
'Cause I'm giving up on you and I
It's hard enough if you're not giving me enough
You're not giving me enough

Wake me up at sunrise
'Cause I'm giving up on you and I
It's hard enough if you're not giving me enough
You're not giving me enough...
