

Faded

John De Sohn

Close to the line of the break of the bone tonight
I never smile but I'm learning to cope with life
'Cause you are looking at me like a brick in the wall
Once is enough laying sleepless alone

(Ooh-ooh-ooh-ooh-ooh-ooh)

Are you ever gonna give me up?
I'm waiting, waiting, waiting
'Cause I am never gonna live it up
I'm faded, faded, faded

See every sign let it sink like a stone tonight
Hard to define but we're staying afloat alright
'Cause you are looking at me like a brick in the wall
Once is enough laying sleepless alone

(Ooh-ooh-ooh-ooh-ooh-ooh)

Are you ever gonna give me up?
I'm waiting, waiting, waiting
'Cause I am never gonna live it up
Faded, faded, faded

Are you ever gonna give me up?
I'm waiting, waiting, waiting
'Cause I am never gonna live it up
I'm faded, faded, faded

Ooh-ooh-ooh
We belong to something better
Ooh-ooh-ooh
Hollow is the love I have for you
Hollow is the love I have for you

Are you ever gonna give me up?
I'm waiting, waiting, waiting
'Cause I am never gonna live it up
I'm faded, faded, faded

Are you ever gonna give me up?
I'm waiting, waiting, waiting
'Cause I am never gonna live it up
I'm faded, faded, faded
