Christmas Like A Lullaby

John Denver

Christmas like a lullaby steals across the land A breeze upon the waters, rain fall on the sand We celebrate a baby born from spirit into man And Christmas like a lullaby steals across the land

It's morning in Australia; In fact, it's Christmas day And Colorado never seemed so very far away

Back where night has fallen and it's still Christmas Eve And snow is in the mountains that I always hate to leave Christmas bells are ringing there's presents 'neath the tree I know that it's been said before and now I know it's true That home is where the heart is and Christmas lives there too

And on this morning Peace on Earth is still your fervent prayer And I can feel it being whispered softly everywhere And guns are called to silence and anger called to still And brotherhood and sisterhood surrounded by goodwill

Christmas like a lullaby steals across the land A breeze upon the waters, rain fall on the sand We celebrate a baby aborn from spirit into man And Christmas like a lullaby steals across the land
