Friends with You

John Denver

What a friend we have in time Gives us children, makes us wine Tells us what to take or leave behind

And the gifts of growing old Are the stories to be told Of the feelings more precious than gold

Friends I will remember you, think of you Pray for you And when another day is through I'll still be friends with you

Babies days are never long Mother's laugh is baby's song Gives us all the hope to carry on Friends I will remember you, think of you Pray for you And when another day is through I'll still be friends with you

Friends I will remember you, Think of you, pray for you And when another day is through I'll still be Friends with You

Friends I will remember you, Think of you, pray for you And when another day is through I'll still be Friends with You
