Here, There and Everywhere

John Denver

To lead a better life
I need my love to be here

Here, making each day of the year Changing my life with the wave of her hand Nobody can deny that there's something there

There, running my hands through her hair Both of us thinking how good it can be Someone is speaking but she doesn't know he's there

I want her everywhere and if she's beside me I know I need never care But to love her is to need her everywhere Knowing that love is to share

Each one believing that love never dies Watching her eyes and hoping I'm always there

I want her everywhere and if she's beside me I know I need never care But to love her is to need her everywhere Knowing that love is to share

Each one believing that love never dies Watching her eyes and hoping I'm always there

I will be there and everywhere Here, there and everywhere
