R: Please Daddy, don't get drunk this Christmas
   I don't want to see my mama cry
                                              F
   Please Daddy, don't get drunk this Christmas
   I don't want to see my mama cry.
1. Just last year when I was only seven
                               G7
   Now I'm almost eight, as you can see
                                   C7 F D7
   You came home a quarter past eleven
   And fell down underneath our Christmas tree.

                                    G7
2. Mama smiled and looked outside the window
   She told me "Son, you'd better go upstairs."

   Then you laughed and hollered "Merry Christmas!"
                                    G7
   I turned around and saw my mama's tears
