

The Marvelous Toy

John Denver

It went zip when it moved and bop when it stopped whirrrrr when
it stood
still
I never knew just what it was and I guess I never will.

now The first time that I picked it up I had a big surprise.
For right on the bottom were two big buttons that looked like big green eyes.
I first pushed one and then the other, then I twisted it's lid.
And when I set it down again, well here is what it did.

It went zip when it moved and bop when it stopped whirrrrr when
it stood still
I never knew just what it was and I guess I never will.

It first marched left and then marched right, then marched under the chair
and when I looked where it had gone it wasn't even there.
I started to cry my Daddy laughed he knew just what i'd find.
when i turned around my marvellous toy came chugging from behind.

It went zip when it moved and bop when it stopped and whirrrrr
when it stood
still
I never knew just what it was and I guess I never will.

Well The years have gone by too quickly it seems, I have my own little boy.
And yesterday I gave to him my marvellous little toy
His eyes nearly popped right out of his head and he gave a squeal of glee...
Neither one of us knows just what it is but he loves it just like me.

It still goes zip when it moves and bop when it stops, whirrrrr
when it
stands still
I never knew just what it was and I guess I never will.
