

What One Man Can Do

John Denver

I suppose that there are those
Who'll say he had it easy
Had it made in fact
Before he'd even begun
But they don't know the things I know
I was always with him
It may sound strange
We were more than friends

It's hard to tell the truth
When no one wants to listen
When no one really cares
What's going on
And it's hard to stand alone
When you need someone beside you
Your spirt, your faith
Must be strong

What one man can do is dream
What one man can do is love
What one man can do is change the world
And make it young again
Here you see what one man can do

As shaded as his eyes might be
That's how bright his mind is
That's how strong his love
For you and me
A friend to all the universe
Grandfather of the future
Everything I would like to be

What one man can do is dream
What one man can do is love
What one man can do is change the world
And make it new again
Here you see what one man can do

What one man can do is dream
What one man can do is love
What one man can do is change the world
And make it work again
Here you see what one man can do
