

# Eyes Of My Heart

John Elefante

What must I do to make you love me  
What must I do to show I care  
I sacrificed hoping you'd understand

What must I do to prove that I will be there  
How many heartaches will it take  
Until you realize my love for you  
Until you know that you can...

Lay your cares on me  
I am that shoulder you can lean on  
I'll be you shelter from the storm

Break away the chains that bind you  
Let the Truth of my love find you  
Just look into the eyes of my heart and see...

And when you need someone to comfort you in sadness  
Just reach out your hand and I'll be there  
I'm with you everywhere, you're never too far  
I'll let you know that you can...

Break away the chains that bind you  
Let the Truth of my love find you  
Just look into the eyes of my heart and see...

Break away the chains that bind you  
Let the Truth of my love find you  
I will bring you to that quiet place  
You can rest upon the shore  
Just look into the eyes of my heart and see...
