

## Too Much Too Soon

John Entwistle

I should have seen her coming  
I should have known right away  
I should have started running  
Everybody told me  
I should have known from the start  
What you were up to, I should have known better then  
Now I knew.

Too much too soon , too much too soon.

You got the feeling things cannot fly  
No matter what you get you wanna buy  
Well baby what's a boy to do  
Well now don't talk to samson  
When I move too fast you want to jump  
Well baby better buy me out.

Too much too soon , too much too soon.  
Too much too soon , too much too soon.

I came out feeling hurting knowing  
What else can I say  
I came out feeling it's too much too soon  
Well baby gotta get away.

Too much too soon , too much too soon.  
Too much too soon , too much too soon.  
Too much too soon , too much too soon.
