

# Burn Down The Night

John Farnham

Don't let me slip back under  
My motor's running warm  
I'm rollin with the thunder  
I'm riding out this storm  
Burn down the night  
Burn down the night  
If you can't make it right  
Burn down the night  
So patiently you guide me  
Whispering in the dark  
Reach way down deep inside me  
Take out the broken part  
Another wall comes down in flames  
With every match you strike  
You've got everything it takes  
To burn down the night  
Lead me into temptation  
Out by the railroad tracks  
Show me a new sensation  
Don't ever send me back
