Hit The Road Jack/Fever

John Farnham

Hit the road Jack and don't you come back
no more no more no more no more
Hit the road Jack
and don't you come back no more
Never knew how much I loved you
Never knew how much I care
When you put your arms around me
I get a fever that's so hard to bear
You give me fever when you kiss me
Fever when you hold me tight
Fever in the morning
A fever all through the night

Woman oh woman don't you treat me so mean
You're the meanest old woman that I've ever seen
I guess if you say so
I'd have to pack my things and go
Hit the road Jack and don't you come back
no more no more no more no more
Hit the road Jack
and don't you come back no more
Never knew how much I loved you
Never knew how much I care
Sun lights up the daytime
Moon lights up the night
I light up when you call my name
And you know I'm gonna treat you right

Don't care if you do 'cause it's understood
You ain't got no money you just ain't no good
Well I guess if you say so
I'll just have to pack my bags and go
Hit the road Jack and don't you come back
no more no more no more no more
Hit the road Jack
and don't you come back no more

Everybody's got the fever
That is something we all know
Fever isn't such a new thing
Fever started long ago
Hit the road Jack and don't you come back
no more no more no more no more
Hit the road Jack
and don't you come back no more
