

# Rock Me Baby

John Farnham

You may call me a rollin' stone, I'm a free born man and I stand alone  
I come a-lookin' for a little satisfaction  
I don't drive no Cadillac, What I've got's hangin' on my back  
I do believe in a physical attraction  
I can warm your coldest nights, I'll make everything alright

Ooooh rock me baby, make me feel that beat  
I said ooh-ooh-ooh-ooh rock me baby right down to my feet  
I said ah-ah-ah-ah rock me baby, hold me oh so tight  
I said wooh rock me baby, rock me through the night  
Hey you better hold me while you can  
Or you're gonna lose your midnight man  
Rock me, rock-n-roll me, yeah

I was twelve when I left home, Ever since I've been-a on my own  
I come a lookin' for a little recreation  
Guess I'll never settle down, It's always been just-a one more town  
While I've looked from coast to coast across the nation  
I can't promise I'll be true, But I'll see what I can do

Ooooh rock me baby, let me feel that beat  
I said ooh-ooh-ooh-ooh rock me baby right down to my feet  
I said ah-ah-ah-ah rock me baby, hold me oh so tight  
I said wooh-ooh-ooh-ooh rock me baby, rock me through the night  
Hey you better hold me while you can  
Or you're gonna lose your midnight man  
Rock me, rock-n-roll me baby

Come on and rock me, come here and shock me  
Get down woman, mmmm, come on and squeeze me  
Ooh you sure do please me, alright woman  
Oh rock me, rock me, hold me, right the beat  
I said ooh-ooh-ooh-ooh baby right down to my feet  
I said ro-o-o-o-rock me baby, hold me oh so tight  
I said wooh-ooh-ooh-ooh rock me baby, rock me through the night  
Hey you better hold me while you can  
Or you're gonna lose your midnight man  
Rock me, rock'n'roll me woman
