

Up Around the Bend

John Fogerty

There's a place up ahead and I'm goin'
Just as fast as my feet can fly
Come away, come away if you're goin'
Leave the sinkin' ship behind

Come on the risin' wind
We're goin' up around the bend

Bring a smile and a song for the banjo
Better get while the gettin's good
There's a place up ahead and I'm goin'
Where the neons, it turns to wood

Come on the risin' wind
We're goin' up around the bend

You can ponder perpetual motion
Fix your mind on a crystal day
Always time for good conversation
There's an ear for what you say

Come on the risin' wind
We're goin' up around the bend

Catch a ride to the end of the highway
And we'll meet by the big red tree
There's a place up ahead and I'm goin'
Come along, come along with me

Come on the risin' wind
We're goin' up around the bend
