Up Around the Bend

John Fogerty

There's a place up ahead and I'm goin'
Just as fast as my feet can fly
Come away, come away if you're goin'
Leave the sinkin' ship behind

Come on the risin' wind We're goin' up around the bend

Bring a smile and a song for the banjo Better get while the gettin's good There's a place up ahead and I'm goin' Where the neons, it turns to wood

Come on the risin' wind We're goin' up around the bend

You can ponder perpetual motion Fix your mind on a crystal day Always time for good conversation There's an ear for what you say

Come on the risin' wind We're goin' up around the bend

Catch a ride to the end of the highway And we'll meet by the big red tree There's a place up ahead and I'm goin' Come along, come along with me

Come on the risin' wind We're goin' up around the bend
