Uptown / Downtown

John Foxx

```
I will meet you there
When the work is done
In the shining streets
When the lights go on

Downtown/Uptown
Downtown/Uptown

You will wear your dress
I will wear my suit
And we will stroll
Down the avenues

Downtown/Uptown
Downtown/Uptown

Before the dawn
We will say goodnight
I will you take you home
In the morning light

Downtown/Uptown
Downtown/Uptown
```
