

# I Can't See Until I See Your Eyes

John Frusciante

Come as you are  
Have some wine and coffee  
Come as you are  
Have a gun  
Answer me my baby

Come dance with me  
I've been watching you  
And now I need you  
Come have some wine  
Makes me want  
Wanna kill myself at all

Come have some wine  
As a cure  
There's a reason  
Come, you're the one  
Who only lies  
I can't see until I see your eyes  
In your eyes

Come on baby, come on baby  
I need you or I need nothing  
Oh yeah  
I need you
