

My Smile Is a Rifle

John Frusciante

My smile is a rifle
Won't you give it a try?
Ma nem me mah ne ma menema.....
So you like the way we're intertwining (?)
When notes come to you
Hoo hooooooooo
You know i love you
You're all i waaaaaaaaaaaaooh yeeeeah....

My smile is a rifle
And what are you...
My smile is a rifle
And i point it at you
My smile is a rifle
You'll know when you bring me in from the rain....
