

Meek AF

John Grant

You're meek as fuck, baby
Ha ha ha
You're meek as fuck

I know that you think you're really smooth
You think you're one of the sheep
And you also think that you're the GOAT
You're sure that's why you got the job
You killed your audition for the village mob
You think you understand but the chances of that are really very remote

You don't believe anything you read in the good book
That's not a good look for you
Your spirit animal's a bulldozer
You're shining the machine but you wanna be a closer
'Cause Jesus wants you rich
The art of the lie, the oldbait-and-switch

You are so super meek
You think people like me are weak
You are so super meek
You're super hard rock, super sleek
You gotta roll them losers down
Nobody fucks you while you're around
You're grinning, because you're winnin'

You are so super meek
You think people like me are weak
You are so super meek
You're super hard rock, super sleek
You gotta roll them losers down
Nobody fucks you while you're around
You're grinning, because you're winnin'

Your wife knows you're not kidding so she always does your bidding
Because she thinks you really love her
No son of yours will ever be a fag
Even if you have to drag him around the town behind your truck

Your favourite party gave us twistin' scriptures
You never the read NC 'cause there weren't enough pictures
God's just a bit too slow for you
You're gonna build a kingdom here if it's the last thing you do
Your spirit animal's a giant bulldozer
Your shining the machine but you wanna be a closer
Because everybody knows that Jesus wants you rich
The art of the lie, your new sales pitch

You are so super meek
You think people like me are weak
You are so super meek
You're super hard rock, super sleek
You gotta roll them losers down
Nobody fucks you while you're around
You're grinning, because you're winnin'

You are so super meek

You think people like me are weak
You are so super meek
You're super hard rock, super sleek
You gotta roll them losers down
Nobody fucks you while you're around
You're grinning, because you're winnin'

Mmm, you're meek as fuck, baby
Ooh, you're meek as fuck
Mmm, so fuckin' meek, baby
Oh yeah, you're so meek, baby
Makes me so hot
You never believe the meek would inherit anything
Let alone the Earth
