

# All Fall Down

John Hartford

Whirly pig is comin'  
Whirly pig is comin'  
Whirly pig is comin'  
We'll all fall down

Hide it in the mornin'  
Hide it in the mornin'  
Hide it in the mornin'  
We'll all fall down

You'll be laying in the daffodils  
A-rollin' in the clover  
There's a warbler in the holler  
And the Whirly pig is over

He's a bangin' on my roof  
Probably eatin' up the sun  
Scoopin' like a pig  
Tryin do it on my bun

Whirly pig is comin'  
Whirly pig is comin'  
Whirly pig is comin'  
We'll all fall down

Hide it in the mornin'  
Hide it in the mornin'  
Hide it in the mornin'  
We'll all fall down

Woah oh oh oh  
Whirly pig is comin' and we'll all fall down

Well, over in the afternoon  
Lookin' through the trash with a big white light  
JHK with traffic control I'm out in the backyard diggin' me a hole 14 pass

What does that mean I'm so damn paranoid  
That I'm absolutely mean  
Can't do nothin  
When I'm lookin in the air  
Seems like piggy is a flyin' everywhere

Whirly pig is comin'  
Whirly pig is comin'  
Whirly pig is comin'  
We'll all fall down

Hide it in the mornin'  
Hide it in the mornin'  
Hide it in the mornin'  
We'll all fall down
