Right In the Middle of Falling For You

John Hartford

```
I reached out my hands
There was no place to stand
I was losin' my balance
Didn't know what to do
No way to hide
These feelings inside
I was right, in the middle
Of falling for you

How long we were walkin'
We kept right on talkin'
The night gettin' warmer
And you turning blue
You said not to rush you
I tried not to touch you
But I was right in the middle
Of falling for you

I could not stare
I just didn't care
I was fighting those feelings
Of love when it's new
I said that I wouldn't
The truth was I couldn't
I was right in the middle
Of falling for you
```
