

# Ali Baba

John Holt

My dream last night was about Ali Baba  
With the forty thieves  
Tom, Tom, the piper's son,  
he was there with me

I rode through the valley with the princess by my side  
The Duke and the Duchess was there to meet me with a smile

Alice was there in a Wonderland  
Staring far away  
The three blind mice was there with me  
To tell the Teddybear the tale

The Teddybear came smiling there with a big smile  
The little Bo-peep has lost a sheep last night

The Duke and the Duchess did a Reggae Reggae Reggae last night
