

# All I Ever Ask

John Holt

Love means so many different things But you're all that matters  
And this is all I'll ever ask of you

Tell me your dreams, so they can be mine too Let me be there to  
help them come true

Tell me your feelings, when you feel afraid Come to my arms let  
me lock them away

That's all I'll ever ask, That's all I'll ever ask, That's all  
I'll ever ask of you

Come to my shoulder when you need to weep Wake me up, when you  
cannot sleep

Talk to me, when you need to be heard Be silent with me, when y  
ou can't say a word

That's all I'll ever ask, That's all I'll ever ask, That's all  
I'll ever ask of you

I can swear you'll never have to cry another tear And whenever  
you want someone to hold you I'm always right here

So just come to me for anything at all Call my name, it's yours  
to call

Feel my faith in you when you can't find your own And always re  
member you're never alone

That's all I'll ever ask, That's all I'll ever ask, That's all  
I'll ever ask of you
