

## Fancy Make Up

John Holt

Don't watch those pretty dress that they wear  
Those Fancy Make Up all over their face  
Those groovy diamonds that cover their necks  
Those fancy handbags to match their dress

They will ro-ob and cheat you  
They will make you want to cry  
They will ro-o-ob you  
They will ro-o-ob yo-o-u

Don't let them tell you any misty lies  
It's just one of their old alibis  
They will take you out for a ride  
Then give you that same old fancy slide

They will ro-ob and cheat you  
They will make you want to cry  
They will ro-o-ob you  
They will ro-o-ob yo-o-u

They will rob you!  
They will cheat on you!
